Sir:

This application was filed on October 12, 2004 as a national phase application of PCT/DK2003/000273. As indicated in the Applicant(s) section, the second inventor's name is Bjorn Eggert Christensen. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application Nos. PA 2002 00625 filed on April 25, 2002, PA 2002 01278 filed on August 30, 2002 and U.S. Provisional Application Nos. 60/376,966 filed on May 01, 2002 and 60/408,462 filed on September 05, 2002.

The filing receipt mailed March 28, 2005 contains the following errors:

1. In the Applicant(s) section, the second inventor's name is recited incorrectly; and
2. In the domestic priority data, the U.S. provisional applications are omitted.

Applicants therefore request the issuance of a corrected filing receipt reciting the correct name of the second inventor, as well as complete domestic and foreign priority data.

Applicants submit that the errors are the fault of the USPTO and therefore no fee is due. However, should any fees be due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: October 28, 2008
